LMS ON HELBLING E-ZONE

Helbling e-zone is the Learning Management System (LMS) developed by Helbling. It consists of a user-friendly online platform for both teachers and students. E-zone material includes:

- **Cyber Homework**
Interactive, self-correcting activities assigned by teachers to individual students or groups. Students' feedback is given automatically after the deadline.
- **CLIL Projects**
Open-ended tasks to be assigned by the teacher to individual students or groups. Students can include resources such as texts, documents or images, to be shared with the teacher and their class.
- **Exam Practice**
Plenty of practice to ensure exam success at any level. Also assignable.

PLACEMENT TEST

Designed to give students and teachers a quick way of assessing the approximate level of a student's knowledge of English grammar and usage.

TESTBUILDER

Specially developed Unit and Progress Tests tests allow teachers to effectively evaluate their student's progress. Teachers can use ready-to-print tests or edit and generate their own versions. Audio recordings for the tests are also included.

IWB and Teacher's DIGI Pack

A version of all the student's material for presentation on an interactive whiteboard.
